

Arizona Law Enforcement Accreditation Program

"Recognizing Professional Excellence"

Annual Conference | April 16th – 18th, 2024
Prescott, AZ

Who We Are

The **Arizona Law Enforcement Accreditation Program (ALEAP)** was developed in 2018 as a program of the Arizona Association of Chiefs of Police. The purpose of the ALEAP program was to provide a state-level accreditation program that identified best practices for the safe, effective, efficient and nondiscriminatory delivery of professional law enforcement services in the State of Arizona.

The ALEAP program was designed to be fiscally attainable for agencies of all sizes, while also serving as a roadmap for future opportunities available to each agency.

Understanding that accreditation is a voluntary program, ALEAP was not developed to be a panacea to problems agencies have with individual employees or situations, rather as a high-level assessment of the agency's policies and processes. These assessments are designed to assist the agency in developing policy, while gauging the effectiveness of their policies on service delivery. The standards developed by the ALEAP program do not reflect the maximum amount that can be done by an agency, nor should they be viewed as minimum standards

Accreditation does not reflect that one law enforcement agency provides better law enforcement services to its community than that of a non-accredited agency. What it does reflect is that the accredited agency was carefully measured against an established set of standards and has met or exceeded accepted practices in law enforcement.

The behaviors, training and actions of personnel of Arizona's law enforcement agencies best reflect compliance with the standards contained in this program. Policies and procedures based on accreditation standards will not ensure a crime-free environment for citizens, nor will it ensure an absence of litigation against law enforcement agencies and executives. However, effective and comprehensive leadership through professionally based policy development is directly influenced by a law enforcement program that is comprehensive, obtainable and based on standards that reflect professional service delivery as well as community expectations.

Mission Statement

It is the Mission of the Arizona Law Enforcement Accreditation Program to ensure compliance with established standards and a clear statement of professional objectives, which represent current and professional industry-best-practices in the safe, effective, efficient and non-discriminatory delivery of law enforcement services in the State of Arizona.

Vision Statement

It is the vision of the Arizona Law Enforcement Accreditation Program to have every eligible criminal justice agency in Arizona State accredited, maintaining their accredited status as continued goal.

Current ALEAP Program Agencies

- Ak-Chin Police Department
- Apache Junction Police Department
- Arizona Western College Police Department
- Avondale Police Department
- AZ Dept. of Insurance & Financial Institutions
- Camp Verde Marshal's Office

- Winslow Police Department
- Yuma Police Department

Statewide Conference for Arizona Law Enforcement Accreditation Program, Emergency Communications Accreditation Program, and the Property and Evidence Accreditation Program.

Each year, ALEAP coordinates and hosts a **statewide conference** to provide high quality and innovate training to both sworn and professional personnel that encompass all levels of Arizona's law enforcement agencies. *The ALEAP standards incorporate every aspect of law enforcement, including training, vehicles, body cameras, property & evidence, specialty assignments, fiscal management, recruitment, records, communications, body armor, weapons, uniforms, OSHA requirements, and much more!* With a variety of topics, the annual conference offers something for everybody regardless where in their agency or the accreditation process they play a part to develop and promote excellence.

Your sponsorship enables us to offer law enforcement personnel the opportunity to relevant and progressive training presented by experts. There are several vendor and sponsor opportunities to choose from, and your corporate or individual support ultimately benefits all communities in the great state of Arizona.

Beginning in 2023, ALEAP began their **Emergency Communications Center Accreditation Program (ECCAP)** for dispatch centers statewide. Additionally, beginning in 2024 ALEAP will be initiating their **Property & Evidence Accreditation Program (PEAP)**. With the addition of these two new accreditation programs, there is plenty of opportunity to reach out to the agencies regarding meeting their needs to obtain their accreditation.

Current ECCAP Enrolled Centers

- Gilbert Police Department
- Prescott Police Department
- Kingman 911 Communications Center
- Salt River Police Department
- Oro Valley Police Department
- San Luis Police Department
- Page Police Department
- Yuma Police Department
- Paradise Valley Police Department

Additionally, the week of the conference is ***National Public Safety Telecommunicators Week!*** This is held the second week of April each year to honor public safety telecommunicators for their commitment, service, and sacrifice.

If you would like to know more about the accreditation standards that may apply to what your business is offering, please reach out to capa@arizonachiefsofpolice.org and we will provide you that information. We can share with you ideas about how to peak the interest of the conference attendees by associating your business with needs they may have regarding accreditation.
